DIAGRAM (Show wind direction)		DESCRIPTION		
		I was sailing on a port tack and in my opinion I could clearly pass in front of the large boat. Suddenly the boat accelerated and made it impossible for me to go in front of it. I was forced to stop suddenly and try to go behind it. During this manouver I capsized and lost about 7 places. In my opinion the Race Committee failed to notify the boat to go clearly between two Race Areas Alpha & Bravo
